Parental / Guardian Consent

I confirm my child / child in my care is physically fit and healthy and I will advise you of any change I consider him / her capable of taking part in the sport.

I have completed the section on medical details/ **I do / do not** consent that in the event of any illness / accident necessary treatment can be administered from a first aider or trained medical staff.

I do / do not consent for my child / child in my care to be given a plaster if one is required. I confirm that I have read through the code of conduct with my child / child in my care and they understand and agree to abide by the rules.

In signing this form, I understand the element of risk involved and while I accept that the coaches and club will take precautions to prevent accidents, I understand that they will not be held responsible for loss, damage or injury to my child.

I confirm that I understand that my child / child in my care will be required to become a member of the GB Gymnastics.

I am aware that photographs and video footage may be taken during the event for coaching and promotional purposes. I **do / do not** consent for my child / child in my care to appear in photographs. I understand that no personal information will be displayed with the image.

I understand that all lessons must be paid in full, by way of a 5 week payment, before the start of a new lesson block. Furthermore in the event a lesson is missed due to illness or holiday, the lesson still must be paid in full. If a payment is outstanding, without discussing previously with the coaches, the club may refuse to let your child / child in your care participate in the lesson, whilst also allocate your place to someone on the waiting list.
